> Thanks again for making the trip down to Seattle to present and discuss your work at Flint Hills. As I promised here are examples deferral agreements that we have in place in our Region. I was also able to find one for a site in Region 1. When we get the deferral agreement signed for the Astoria Marine Construction Company site, I can send you a copy of that one as well. I've attached the EPA deferral guidance. Also two letters EPA sent to Oregon and Washington outlining the requirements they would need to fulfill before EPA would consider deferral of a site.
